As per new guidelines received from Rajiv Gandhi University of Health Sciences/UGC academic institutions have to start delivering offline lectures from 7<sup>th</sup> December 2020. Furthermore, as a part of these process, academic institutions will have to obtain an acceptance/disclaimer letter from parents.

Please pick one choice from the below mentioned options:

If your son/daughter will be attending offline classes, in addition to this attested letter, please submit the following proof(s) for the institution's and University's record.

1. RT-PCR Test Report (should be done 3 days prior to attending classes)

### **Note:**

- Amidst this pandemic, it behooves upon everyone (Parent, Student and Teacher) to maintain Physical/Safe distancing practices. The Institution will not be held responsible for any untoward/unfortunate incident that may happen as a result of your son/daughter attending offline lectures/practicals.
